

MINUTES OF MEETING OF THE BOARD OF PUBLIC WORKS, JUNE 30, 1942

The Board of Public Works met on June 30, 1942, in the office of the Governor, State House, Annapolis, Maryland.

There were present: Herbert R. O'Connor, Governor
 J. Millard Tawes, Comptroller
 Hooper S. Miles, Treasurer

The Minutes of the meeting of May 28, 1942, copy of which was sent to each member of the Board, were approved.

INSURANCE: National Emergency

The Board took up for consideration the question of obtaining policies of insurance protecting the State against loss due to enemy bombings. A report submitted by the Committee appointed by the Governor to look into the problem of covering State property with such insurance was considered, along with recommendations made by the State Treasurer and the State Roads Commission for the amount of insurance to be carried on property which it was felt should be thus protected.

The Board decided that this insurance was very desirable and authorized the State Treasurer to arrange with the Fidelity and Guaranty Fire Corporation and Central Fire Insurance Company to issue the necessary policies. The properties to be covered are as follows:
